ORDINANCE 112135

AN ORDINANCE establishing a "Police Department" sub-account in the General Donations and Gift Trust Fund; authorizing deposits in and expenditures from the sub-account; authorizing the acceptance of unconditional gifts; and making certain appropriations.

BE IT ORDAINED BY THE CITY OF SEATTLE AS FOLLOWS:

Section 1. There is hereby established a "Police Department" sub-account in the General Donations and Gift Trust Fund. Gifts for police department purposes (including bequests, devices, proceeds of and sales of donated property) shall be deposited in the sub-account except that gifts for the Horse Patrol, the K-9 Unit, and the Police officers of the Year Award shall be deposited in the sub-accounts established by Ordinances 110461, 106656, and 102977 respectively. Expenditures may be made from the Police Department sub-account upon vouchers approved by the Chief of Police as to payee and purpose subject to the conditions set forth hereafter.

All necessary appropriations are hereby made and authorized for the expenditure of gifts made for a specific departmental use in accordance with the restricted purpose for which the gift was made, and for the expenditure of gifts accompanied by a request that the funds be expended for a particular purpose in accordance with the accompanying request. The Chief of Police shall give the Budget Director and the Chairman of the Finance Committee notice of expenditures made from the sub-account under the authority of this paragraph. The City Comptroller is authorized to draw and the City Treasurer to pay the necessary warrants and to make the necessary transfers.

When gifts are made for general departmental or police use or purposes or without restriction or specific request, expenditures shall only be made in accordance with authorization by an appropriating ordinance or in the City's annual budget.

Section 2. The Chief of Police is hereby authorized to accept for and on behalf of The City the following donations and express the City's appreciation to the donor: a gift in the amount of Ten Thousand Dollars (\$10,000) from an anonymous donor presently deposited in the Treasurer's Clearing Fund; gifts of funds or property made on an unconditional basis for police uses or purposes from time to time; and gifts of dogs and horses (and food, gear, and veterinary services) for the use of the K-9 Unit and Mounted Unit, respectively. The anonymous donation and gifts other than those designated for the Horse Patrol, K-9 Unit, or Officer of the Year Award, shall be deposited in the "Police Department" sub-account.

Section 3. This ordinance supplements legislation establishing a City "gift catalogue" and the sub-account established by Section 1 shall be in addition to and separate from the sub-account established for gifts for Police Department purposes in the account of the General Donations and Gift Trust Fund established for purposes of administering the gift catalogue.

Section 4. Acceptance and deposit of gifts, the transfer of the donation from the anonymous donor from the Treasurer's Clearing Fund to the General Donations and Gift Trust Fund and any other action pursuant to the authority and prior to the effective date of this ordinance is hereby ratified and confirmed.

(To be used for all Ordinances except Emergency.)

Section 5. This ordinance shall take effect and be in force thirty days from and after its passage and approval, if approved by the Mayor; otherwise it shall take effect at the time it shall become a law under the provisions of the city charter.

Passed by the City Council the 28th day of January, 1985,
and signed by me in open session in authentication of its passage this 28th day of January, 1985.
President of the City Council.

Approved by me this 4th day of February, 1985.

Re: Proposed Ordinance regarding Gifts to the Police Department

Dear Councilman Kraabel:

Enclosed is a proposed ordinance that authorizes the Chief of Police to accept a \$10,000.00 donation from an anonymous donor. It creates a fund into which the \$10,000.00 and future gifts for Police Department purposes will be deposited, without the need to seek authorization by ordinance for the acceptance of each such gift.

The Police Department anticipates that this fund will serve a wide range of possible uses, including benefiting the Police Relief Association and Explorer Scout Unit. The ordinance specifies that the Chief of Police shall give the Budget Director and the chairman of the Finance Committee notice of expenditures made from gifts intended for specific purposes. Expenditures from unconditional gifts shall be made only through authorization by an appropriating ordinance or in the City's annual budget.

The proposed ordinance also authorizes the Chief of Police to accept future gifts of dogs and horses, food, gear, and veterinary services for the K-9 and Mounted Units, respectively.

For additional information on this proposed ordinance, you may wish to contact the Department's Fiscal Director, Rex McBride at 625-4455.

Very truly yours,

PATRICK S. FITZSIMONS
Chief of Police
